Inspired by the old saying: "you can't really understand another person's experiences until you've walked a mile in their shoes", all across the country, courageous men and women are joining "Walk a Mile in Her Shoes": The Men's March to Stop Rape, Sexual Assault & Gender Violence.©

Walk a Mile in Her Shoes asks men to literally walk one mile in women's shoes, while raising funds for the Sexual Assault Center of Pierce County. Walk a Mile in Her Shoes is a fun opportunity for men to educate the community about a very serious subject and to rally the community to take action to help prevent sexual violence.

Come on out, challenge your friends and co-workers to join us, or at the very least fund your efforts. Together, we can help our community STOP sexual assault.

Presentation of trophies before the walk.  
Bandages awarded after the walk!
